

In re Patent Application of:

FRUHAUF ET AL.

Serial No. **10/775,728**

Filing Date: **2/10/04**

REMARKS

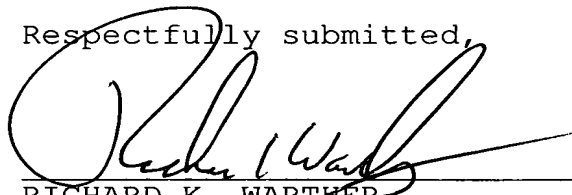

Claims 31-60 remain in this application. No claims have been amended with this Amendment. Claims 31, 32, 42 and 43 have been previously amended. Claims 1-30 have been previously cancelled.

Applicants file this Amendment in response to the Office Action mailed October 5, 2004 and correct the Abstract to delete the improper word "comprises" and substitute --includes--. The reference to the parent application has been included. Also, a Terminal Disclaimer to overcome the obviousness-type double patenting rejection over claims 1-11, 14 and 16-20 of copending application serial no. 10/388,067 is submitted herewith.

Applicants contend that the present case is in condition for allowance and respectfully requests that the Examiner issue a Notice of Allowance and Issue Fee Due.

If the Examiner has any questions or suggestions for placing this case in condition for allowance, the undersigned attorney would appreciate a telephone call.

Respectfully submitted,

RICHARD K. WARTHER
